

# **RADON In New Buildings: Get the Facts & Then Act**

**Radon  
Awareness  
Week 2018**  
HEALTHY LIVING

**Exposure to radon is the second leading cause of lung cancer in the UK, after smoking**

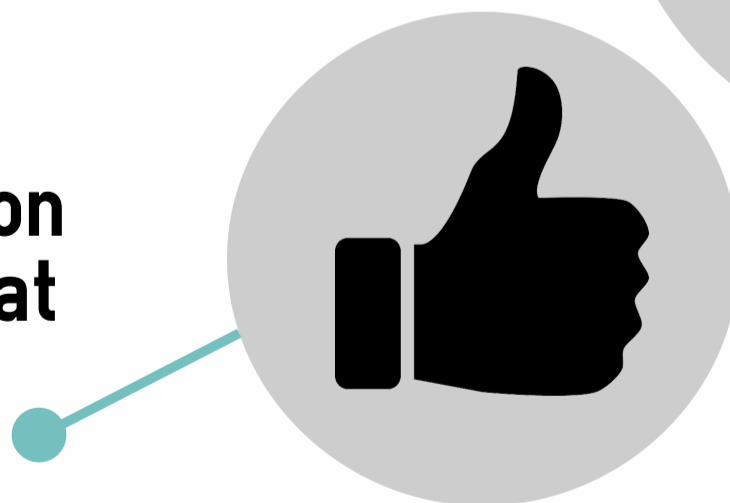

**In areas where there is a greater risk of radon, new buildings should incorporate radon protection**

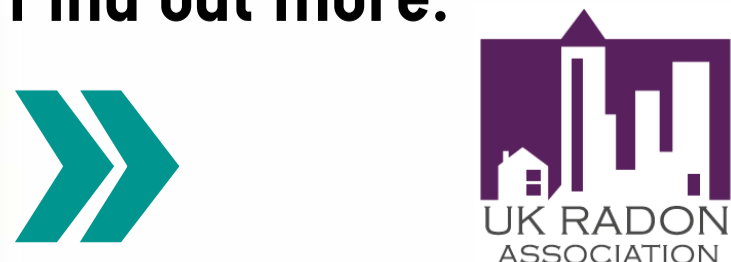

**Guidance on radon protective measures can be found in BRE report BR211:2015**

**It is important to carry out a radon test in new buildings to check that the protection is effective**
